# WHAT OPPORTUNITIES CAN THE INNER TEMPLE MOOTING SOCIETY OFFER YOU THIS MICHAELMAS?

## **The Master Stuart Denney Memorial Northern Moot – 9<sup>th</sup> September**

If you are in Manchester on the 9<sup>th</sup> September, please come to the University of Law, Manchester, to attend a panel event on Northern Careers, as well as to observe the mooting of the finalists and a networking drinks reception. Email [internalmooting@innertemplesocieties.org](mailto:internalmooting@innertemplesocieties.org) if you would like to attend for more details.

## **Join our Committee**

The Committee is an excellent opportunity to gain transferable skills which are invaluable for pupillage. It also enables students to network with barristers of varying levels of seniority. A previous committee member described this as ‘a fantastic opportunity, that taught me how to operate within the legal sphere. I am confident that this opportunity gave me communication, management and organisational skills that were essential to me obtaining pupillage. It was also so valuable to build relationships with other students on the committee who had the same ambitions as I did and understood the pressures of the pupillage process’. Email [committeeapplicationsitms@gmail.com](mailto:committeeapplicationsitms@gmail.com) for more details.

## **External Moots**

This Michaelmas, we are opening applications for the VIS, Telders, ICC and Jessup Moots. These are all international moots (the oral rounds for VIS are in Vienna; the Telders and ICC moot oral rounds take place in the Hague and the oral rounds for Jessup take place in Washington). The Society offers a financial contribution towards these moots which should cover your accommodation and travel. We also provide top quality coaching. In 2022/23, the VIS team were coached by a team from Mishcon de Reya, including Louis Flannery KC. A previous mooter described this as ‘an excellent experience with extremely well-qualified coaches who dedicated a lot of their time to developing our skills’. Keep an eye on our social media or email [externalmooting@innertemplesocieties.org](mailto:externalmooting@innertemplesocieties.org) for more details.

## **Training Sessions**

Our training sessions are aimed at novice mooters. This provides mooting experience and practice, through interactive workshops. They also offer a unique mooting opportunity, as the best mooters in these sessions are offered the chance to compete in the Pepperdine Moot. Previous speakers have included: Master Paul Infield, Master Stephen Eyre HHJ and Master Owen Davies KC, Keep an eye on our social media or email [mooting@innertemplesocieties.org](mailto:mooting@innertemplesocieties.org) for more details.

## **The Lawson Moot**

The Lawson Moot is open to all Inner Temple students members, who have yet to obtain pupillage. This is an excellent opportunity and gain experience by competing in a prestigious moot.

**Throughout the year, we will also have the Commercial Law Moot, the Ecclesiastical Moot, the Intervarsity Moot and enter teams into various other national and international external moots.**
